

Plan Your Year with Positive Expectancy Workshop

2010

This workshop is for you if...

- You want to start 2010 with a clear direction of where you are going in each are of your life
- Want to write a business/career plan for the year that will allow you to act on and realize your most important personal goals in 2010
- You are committed to using more of your potential in 2010 than you did in 2009
- You want to make a difference in the lives of your family and those closest to you in 2010

- OR -

- You work long hours as everyone else takes control of your time
- You are not achieving your targets and directing your business but instead merely reacting to other peoples problems
- You are fighting fires at work but never have enough time to work on your 'High Payoff Activities'
- Your day is filled with things you are comfortable with doing instead of things you should do
- You are “busy being busy” yet achieving little of what you set out to
- You spend too little time enjoying the company of your family and friends or hobbies

If you identify with any of the above situations then dedicate a few hours on Saturday, January 9th to make 2010 the year you act on your best intentions and most important goals.
